

To all our reviewers, from A to Z, thank you for your time, your insight, and your continued contribution to IRRODL in 2023.

The 431 names below include those whose reviews made essential contributions to IRRODL editorial decisions in 2023. We are very grateful for the contribution of your valuable time and expertise. IRRODL could not be “the leading journal” in our ODL field without you!

Names are listed alphabetically. Apologies to those whom we might have missed, or to those whose names may appear incorrectly.
